# WELCOME TO THE CRISTIANO RONALDO YOUTH FOOTBALL TRIALS AUSTRALIA

---

Cristiano Ronaldo Football Campus in association with the Madeira Sports Agency, Sportzplanet and Pacific Sports Management present the Cristiano Ronaldo Football Campus Youth Football Trials 2023.

The trials will be targeting junior football players across Australia for the purposes of finding the very best U11 and U13 football players in the country.

Two representative teams will be selected to attend the Cristiano Football Campus Global Youth Tournament, to be held in Madeira Portugal 28th June – 2nd July 2023. **The tour to Portugal will be free of charge for the selected players.**

Some of the biggest football clubs and football scouts from around the world will attend the tournament. This is a once in a lifetime opportunity, not to be missed.

## WE ALL STARTED SOMEWHERE

---

Every person started somewhere, and it was no different for Cristiano Ronaldo.

Born in Santo António, a neighbourhood of Funchal, Madeira, he was the youngest child of Maria Dolores dos Santos Aveiro, a cook, and José Dinis Aveiro, a municipal gardener.

Although he grew up poor, he went on to become one of the greatest football players ever.

In Madeira, the presence of Cristiano Ronaldo is felt from the moment you arrive.... the airport is named after him. And a quarter of a century after leaving for Lisbon, he remains a source of inspiration for young footballers not only on the island, but around the world.

## THE BEST OF THE BEST

A series of state trials will be held across Australia in all major capital cities in late 2023 for the purpose of identifying players to be invited to attend the national selection trials, to be staged in April 2024.

The state trials are open to ALL registered junior football players, from the Under 11 and Under 13 years age groups.

A minimum of 15 players per state trial location will be invited to attend the National Trials.

Two teams (one per age group / 24 players in total) will then be selected from the national trials to attend the Cristiano Ronaldo Football Campus Global Youth Tournament. All selected players receive an all-expenses paid trip to Madeira, Portugal.
